#### **Introduction**

“Miracle Nurse Staffing Agency” Is in the business of providing short and long term health care personnel to (Sacramento) and its surrounding area nursing homes, hospitals, doctors’ clinics, surgery centers, and home health care agencies benefiting patients, health care institutions and employees alike. Its main headquarter is in (Sacramento, California) What gives the “Miracle Nurse Staffing Agency” a leg up on most agencies is that its owners and operators are license nurses and have experienced the fluctuation of staffing needs. *We know what is expected from a facility with regard to needing nurses urgently.*

“Miracle Nurse Staffing Agency” Evolved from marketing research that showed nursing homes case mix fluctuates. Due to budget constraints, nursing homes are keeping their nursing employment numbers based on case mix as opposed to staffing up during high census and staffing down during low census. Facilities are finding out that it is more economical to staff with agency nurses to handle times of peak census/ case mix. This eliminates the additional cost of training, benefits, sick leaves, vacation, payroll matches and list goes on. “Miracle Nurse Staffing Agency” Has access Registered nurses, practical nurses and nursing assistants and are continually recruiting nurses based on demands.
